

Sailing Yacht “Nanuk”

Welcome to your professional crew; ready to deliver your 5* bespoke
Luxury vacation experience.

Captain Heiden

Captain Heiden is a professional Skipper who is certified to RYA/MCA Yacht Master Offshore. He started working with boats at the age of 16 until he finished school. At the tender age of ten, he had a love for the sea; sailing, diving and fishing. He started sailing as a crew with a small, day charter company on the island and has never looked back. His charter experience has taken him from Grenada, St. Lucia, Tobago, Antigua, St. Martin, BVI to Columbia. He is a highly qualified yacht captain with twenty one year’s sailing experience. When not sailing and looking after Nanuk’s special guests he likes to take his 16ft fishing boat out on the water.
