Please ensure that you have sent your flight details and arrival times so that we can arrange for our friendly taxi driver to meet you at the airport. The taxi transfer is 20-25 minutes and costs EC\$65.00/US\$25.00 for up to 3 persons with each additional person over that number paying EC\$13.00/US\$5.00.

On arrival at the base, please come to the office where we will review your paperwork and advise you of your chart and boat briefing times. Please note that your charter starts at 12 noon. You will need to sign various documents during the handover so please be prepared to do this. They will include the Client Responsibility Agreement, Boat Systems check-out and Departure Check-out forms.

If you are sleeping aboard your yacht on the eve of your charter start, boat boarding is after 5.00 p.m. If you will be arriving at the base after 5.00 p.m., our taxi driver will meet you at the airport and bring you to the base. There will be further information in a welcome folder advising you on the facilities available at the Marina.

For clients who book a Sleepaboard please be advised your charter still commences at noon the following day. If we are able to start your briefings earlier we will but if for any reason we are not able to, please remember that you are doing a noon charter start and the briefings may run into the afternoon.

If you have placed a provisioning order through Horizon Yacht Charters, your food will be stowed away for you prior to your arrival.

**Please be advised to bring sufficient funds in cash to cover your costs at the base** (expenses at base include hull damage waiver insurance, kayak & snorkel equipment rental, mobile telephone credit and any other incidentals). All credit card payments will incur a 5% service charge. It is also advisable to have extra cash as some of the smaller outlets around the islands might not process credit cards.

If you have not booked direct with Horizon Yacht Charters and have booked your charter through a broker, please contact the broker who will be happy to advise you on any further queries you may have.

We look forward to welcoming you on board.
