Prior to Delivery of Yacht, Charterer agrees to provide signed and dated Charter Contract, Sailing Resume, Client Responsibility Agreement, payment in full of all charter fees and Passport Details of Charterer and crew. The Yacht shall be delivered by the Company at Nanny Cay, Tortola, BVI in full commission and in proper working order, tanks full of fuel and water respectively, in good clean condition throughout and ready for service no later than 4 hours of the specified time shown in paragraph 1. **The Charterer will inspect the Yacht, and upon acceptance (by officially beginning his charter) certifies that he has found the vessel in charterable condition and in every respect seaworthy and that delivery of the said Yacht to the Charterer constitutes full performance and compliance with all obligations of the Company to the Charterer.**

In the event that the Company shall fail to make delivery of the Yacht **on the day of the Charter start** due to an unforeseen last-minute problem with the Yacht but shall within 48 hours thereafter make delivery of

the Yacht then the Charterer shall be allowed demurrage pro rata for the number of hours of lost sailing time. Demurrage shall be offered in the form of credits against future charters or cash refunds. In the event that the Company fails to make delivery of the Yacht prior to the charter start date or over 48 hours as set forth herein, then this Agreement may be cancelled by the Charterer and all charter fees and security deposits shall be refunded to the Charterer, except in the event of any instances in Paragraph 10 that makes the Yacht inactive, or other external causes that may prevent the Charter from starting. We strongly recommend that trip cancellation insurance is taken to cover any unpredictable losses or events that may occur prior to Charter start, as no refund will be due from the Company. **Our Charter Cancellation Insurance, as specified in clause 10 below, is available for your consideration and is strongly advised.**

If the vessel is at any time out of commission for more than 4 hours of “sailing time” during the charter, the Company agrees to credit demurrage in the form of credits against future charters or cash refunds for lost “sailing time”, provided the Charterer notifies the Company in a timely fashion of the problem encountered with the Yacht and gives the Company the opportunity to make the necessary repairs. Sailing time is deemed to be between the hours of 8.00 am to 5.00 pm. The Horizon guarantee covers battery/battery charging, rigging, engine, sails, depth sounder and transmission problems. The guarantee excludes items that do not prevent yacht usage, such as marine toilets, dinghy and outboard, windlass, entertainment systems, air-conditioning, electronics (other than depth sounder), water makers, ice makers, refrigeration, cellular phones, WIFI, water pump, or VHF radio. The Company shall not be liable for any lost sailing time, chase boat expenses or labour charges if the problems are caused by operator error or carelessness on behalf of the Charterer or his crew. Nor shall the company be held responsible for supplying a replacement vessel in the event that the vessel is disabled due to damage caused by carelessness or negligence on behalf of the Charterer or his crew. Blocked heads due to any other blockage other than mechanical failure of parts is at the Charterer’s expense (from \$180.00 charge), plus chase boat services if applicable. In the event of refrigeration breakdown, the Company must be notified immediately and will cover the costs of block and chip ice, (for which receipts are presented) to stop food spoilage, until the refrigeration can be repaired, or until the end of the charter, if a timely repair cannot be carried out but will not be held responsible for any loss of food. The Company deems the value of inoperable generator and/or AC as \$500 per charter and will refund the pro-rated value in the event of failure to this amount. The Company shall not be liable for any compensatory, consequential, punitive or other damages or expenses (including travel and hotel) of ANY kind occasioned by the Charterer as a result of the Company’s inability to deliver the Yacht for any reason.

2. Insurance:

The Company agrees to provide insurance on the Yacht, its hull and machinery and that it is subject to a deductible of 2% of insured hull value for each and every claim/incident. Third party protection and indemnity are provided to a limit of \$1,500,000.00 for any one loss. This insurance is held by the Company, according to the aforementioned terms, as protection against any loss or damage that may occur to, or be caused by, the Yacht during the charter period and the Charterer shall thereby be relieved of any liability for such loss or damage when covered by said policy or insurance, except to the extent of the security deposit and any liabilities as set out in the Client Responsibility Agreement. In the event of accident, theft, damage or breakdown, the Charterer agrees to give the Company prompt notice of such. Charterer remains fully liable and security Hull Damage Waiver insurance does not apply if loss or damage results from Charterer being under the influence of alcohol or a controlled substance, or through negligence.

The Company reserves the right to apply the Charterer’s security deposit toward any damage, loss of equipment, liability not covered by Yacht’s insurance, late return charges, refueling vessel and dinghy and topping off water tanks in the event of failure to comply with clause 4 below, return cleaning charges in the event that the vessel is returned to the Company in a dirty condition, blocked heads not caused by mechanical failure or other requested services which were provided during the charter (whether as a result of Charterer’s operator error, loss, damage or other service request). Please note, there is an automatic charge against Charterer’s security deposit of \$500 for a wrapped prop, or wrapped bow thruster, by any line, or flotsam/jetsam in the water (this could be but is not limited to any of the following - dinghy painter, mooring

pennant, lines that fall off the yacht while underway, any line, bag, fishing line or other item in the water, or any other line/item that causes a wrapped prop). There is also an automatic charge of \$500 against Charterer's security deposit for any grounding of the vessel. In either incident, any repairs needed over and above the \$500 automatic charge either for a wrapped prop, bow thruster or grounding, will be dealt with according to our HDW policy and Client Responsibility Agreement.

3. Running expenses:

The Charterer agrees to accept the Yacht as outlined herein and further agrees to pay all running expenses during the term of the charter. This will include, but is not limited to, fuel, oil, water, food and other consumables, pilotage, port charges, customs fees, dockage and crew fees. Charterer will return the Yacht and dinghy with tanks full of fuel and water in their respective tanks.

4. Navigation limits:

Charterer agrees to restrict the operation of the Yacht to the areas described below and further warrants **not** to operate the Yacht between the hours of 5:30 pm and 7:00 am.

- (a) The British Virgin Islands (excluding ANEGADA unless authorized by the Company)
- (b) The U.S. Virgin Islands (St John and St Thomas up to 10 (ten) nautical miles thereof and excluding ST CROIX). Charterer with paid crew on board agrees to carry correct documentation and comply with the Department of Homeland Security Regulation requiring electronic notification 24 hours prior to intended arrival into and departure from USA territory.

Any breach of the aforementioned navigation limits and requirements shall result in the cancellation of any and all insurance rights. Any fines, damage to the vessel or to property/environment, or injury to persons, which occurs as a result of operating the Yacht in breach of navigation limits will be the sole responsibility of the Charterer.

5. Restricted use:

Charterer agrees that the Yacht shall not be used to carry passengers for hire, shall not be raced and will be used for the sole and proper use of himself/herself, his/her family and guests during the term of this charter and shall comply with the laws of the British Virgin Islands, or any other government within the jurisdiction of which the Yacht may be in during the term of the charter. The Charterer further warrants that he shall not have on board, transport, trade or sell illegal products or substances. In the event of vessel seizure or impoundment as a consequence of any breach of items aforementioned herein will be the sole responsibility of the Charterer – this will include but will not be limited to loss of revenue on future bookings on behalf of the Company, fees (including legal fees) incurred for vessel release and vessel down-time which will be prorated on a daily basis at the normal seasonal rates. No pets allowed.

6. Boarding policy

The Charterer is not allowed to board the yacht until they have been advised by an HYC staff member that it is ready for boarding or there is a "Welcome Aboard" sign in place. If the Charterer is boarding after our business hours, the yacht will be ready for boarding.

7. Misconduct policy:

The Charterer is responsible for the conduct and behaviour of all guests and crew aboard the vessel during the charter period. The Charterer shall not engage in any behaviour that may result in damage to the vessel or endanger the safety of any person aboard or around the vessel. The Charterer shall comply with all laws, regulations, and customs of the British Virgin Islands and any jurisdictions of other ports of call during the charter period. The Charterer shall not use the vessel for any illegal activity or unethical purposes under the laws of the British Virgin Islands. Yacht Charter Contract

The Charterer and their guests are expected to behave in a professional and respectful manner towards all employees and contractors of the Company. Any behaviour that could be considered discrimination or harassment, will not be tolerated.

The Charterer shall indemnify and hold the Company harmless against any claims, damages, or expenses arising from misconduct or the violation of these terms.

8. Charterer's authority:

Full authority regarding the operation and management of the Yacht is hereby transferred to the Charterer for the term of the charter set to herein. Charterer agrees that he/she will be physically present aboard the Yacht at all times, with at least one other competent crew member present, when the yacht is underway and is responsible to ensure that ALL items (including dinghy and outboard motor) are securely stowed or fastened and that all normal engine checks have been completed PRIOR to the vessel getting underway. In the event that, for the term of the charter, there is a professional Captain provided by the company then the authority for the vessel shall be transferred to him/her but he/she cannot be held responsible for actions taken by the Charterer or his/her guests. Dinghy cannot be operated by persons under the age of 18 years. Dinghy navigation lights must be displayed at night and no planing is allowed at night. Charterer agrees to observe the 5 knot speed limit in mooring fields.

The Company reserves the right to supply a Captain at the Charterer's sole expense if the Company feels that the Charterer does not have sufficient experience in operating a vessel of the size and displacement aforementioned herein. Such Captain will remain on board until such time as he/she is comfortable that the Charterer has the necessary ability to safely navigate, drive, sail and manoeuvre the vessel in a competent fashion. If the Captain deems that the Charterer is competent as outlined herein then the Charterer reserves the right to request the Captain remains on board for the duration of the charter or portion thereof.

9. Return of the yacht:

The Charterer agrees to disembark the Yacht at the time and at the point of pick-up as specified in paragraph 2, with all gear aboard, free and clear of any indebtedness or liens incurred by Charterer, clean and in the same condition as upon departure, normal wear and tear from ordinary use excepted. If the Charterer returns the Yacht in a condition that demands extraordinary cleaning, then the Company may charge the Charterer for that cleaning. If the Charterer fails to return the Yacht at the agreed time on the agreed date, except when the lateness is due to circumstances beyond the Charterer's control, then the Charterer agrees to pay the prorated charter fee until such delivery is made as well as to pay the Company or the Yacht's owner for any losses and expenses incurred by the Company or the Yacht's owner due to the delayed delivery of the Yacht to its base.

10. Cancellation policy:

The charter fee is non-refundable unless the optional \$200 USD Charter Cancellation Insurance is purchased. **Charter Cancellation Insurance** provides a full refund of all payments, less a \$500 administration fee, for cancellations made prior to 90 days before the charter start date. For cancellations less than 90 days prior to the charter start date, a full refund, less a \$500 administration fee, is applicable only if Horizon Yacht Charters can resell the charter period.

Without Charter cancellation insurance:

If the Charterer chooses not to purchase the Charter Cancellation Insurance and wishes to cancel the charter, the Charterer will not be eligible for a refund, the charter fee or any portion thereof in case of a cancellation.

We strongly recommend that Charterer considers opting for the Charter Cancellation Insurance policy to safeguard their investment.

Horizon Yacht Charters Limited

In circumstances that dictate that the Company must cancel any portion of the Charter while Charterer is on board the vessel due to severe weather or warnings of severe weather, a credit for the unused portion of the total charter fee will be issued. This credit can be used against any future charter with the Company, subject to Yacht availability, or by extending the current charter term if the vessel is available. The requirement to disembark the vessel due to severe weather or the threat of severe weather is enforceable by the Company. Under such circumstances, the Company cannot be held responsible for hotel, travel, or any other expenses incurred.

If Charterer cannot start the Charter due to severe weather of any kind in advance of the Charter, the Company will not issue a refund, and the Company cannot be held responsible for hotel, travel, or any other expenses incurred as a result.

This Agreement is non-negotiable.

Neither the company, captain/divemaster/crew (if requested or as deemed necessary) or yacht owner will be liable to any person for any loss, damage, injury or death that may result to any person or property by or from any cause whatsoever (including negligence) on the part of the company, its servants or agents or on the part of the yacht owner, his servants or agents due to the charterer's use of said yacht and its equipment, whether or not the equipment is provided by the company or charterer (specifically injuries or death due to swimming or the use of watersports equipment, including but not limited to, kitesurfing, wakeboarding, waterskiing, paddleboards, sailboards, snorkels, masks or allied equipment such as scuba equipment).
