

7 DAY ITINERARY (NOON TO NOON) ST VINCENT TO ST VINCENT UPDATED OCTOBER 2024

Day 1 Blue Lagoon - Mustique

After a comprehensive chart and yacht briefing at the Horizon Yacht Charter base in Blue Lagoon Marina on the south west coast of St. Vincent, set sail for a brief 2 hour passage to Mustique, your first overnight stop. At Mustique pick up a mooring in Britannia Bay, before heading ashore for cocktails at Basil's Bar, or catch a taxi up the hill to the Firefly Restaurant for sundowners and a glorious dinner.

Day 2 Mustique - Tobago Cays

After breakfast set sail for the beautiful Tobago Cays, one of the World's most breathtaking anchorages. The anchorage is protected by an enormous horseshoe reef which also provides amazing snorkeling. You can swim with the turtles that feed around the five islands that make up the Cays, or explore ashore with the nearly tame iguanas and tortoises. In the evening you can arrange a wonderful lobster or fish beach BBQ with one of the local guides, or light up the BBQ yourself on board and dine under the stars.

Day 3 Tobago Cays

Spend the day snorkeling and exploring the Cays - since the area is protected the wealth of sea life is extraordinary. Just off the little island of Baradel is an area cordoned off for turtles to feed, and it's an incredible experience to get close and swim with these remarkable animals. Explore the islands ashore and climb to their summits for the stunning views and watch the almost tame iguanas and land tortoises lumbering around.

Day 4 Tobago Cays - Clifton

Sail downwind for an hour to Clifton, Union Island. Quacy can provide water. Thompson Island Beach Bar is open: <https://www.facebook.com/profile.php?id=61560478745357> and Happy Island is hoping to be open for the start of the season

Day 6 Clifton - Mayreau

A short sail to Mayreau in the morning, dropping anchor in Salt Whistle Bay, a palm fringed semi-circle of white sand. There's some good walking here, but most worthwhile is the short hike to the top of the hill. Enjoy a beachside dinner.

Day 7 Mayreau - Bequia

Set out for a four hour romping sail to Bequia, arriving in time for lunch before setting off to explore the island. This island is one of the most laid back and attractive islands of the whole Caribbean - absolutely perfect for your last night. Restaurants and bars abound, choose between local fare and fine dining according to your taste and budget. For the active there are numerous hiking trails around Bequia with superb views from the hill tops.

Day 8 Bequia - Blue Lagoon

A short but exciting sail brings you back to Blue Lagoon Marina in time for a noon finish. The Horizon crew will be available to assist you whether you are departing the island or staying for a few days. St Vincent is a spectacular island that offers excellent hiking, visits to beautiful gardens and old plantations and maybe a visit to the Pirates of the Caribbean set at Wallilabou Bay
